You may elect to receive **1 semester hour of graduate credit from Ashland University** for your successful participation in the two-day service-learning workshop facilitated by Kathy Meyer and Ellen Erlanger of Partnerships Make A Difference. **To qualify for the graduate credit, you must complete these steps:**

1. Successfully complete the April 3-4 service-learning workshop facilitated by Kathy Meyer and Ellen Erlanger. You must be present both days of the workshop to qualify for credit.
2. Complete the Ashland University registration form available at the workshop and pay the \$200 registration fee payable to Ashland.
3. Complete the service-learning project plan on Survey Monkey (<https://www.surveymonkey.com/s/WXCNZ22>) no later than May 1, 2014. This project plan will satisfy the “out of class” time required by Ashland University for graduate credit.
