Vision & Leadership in Service-Learning: A Level 2+ Seminar Series

Ashland University/CEUs

Register today!

The series is designed for "graduates" of "Service-Learning: Level 1" or "Level 2+" course(s) who wish to continue their professional growth as service-learning/PBL practitioners and leaders. The seminar experience will function as an interactive professional learning community (PLC) and "think tank" that enables participants to "work on the work" of service-learning together. This coming year, we will focus especially on enabling participants to function more effectively and confidently as service-learning/PBL "building leaders."

Participants will be able to strengthen their professional leadership skills through a variety of PD experiences and collaboration opportunities. They will utilize these experiences, skills, and opportunities to help build service-learning/PBL awareness and support in their respective settings, as well as to enhance their own projects/initiatives.

Course instructors will be **Ellen Erlanger** (retired from Upper Arlington Schools) and **Kathy Meyer** (retired from Worthington Schools), educational consultants with *Partnerships Make A Difference*. **Meeting dates are: October 10, November 14, January 23, February 27, and April 10. All class sessions will be held 4:30 p.m. to 7:00 p.m. (snacks at 4:00 p.m.) at The Graf Center, Upper Arlington Schools, 2020 Builders Place, Columbus, 43204.** Cost of two semester hours of graduate credit is \$360 (Spring 2019 credit; Ashland registration will be conducted at the January or February session). Contact hours certification is free. **Please complete the registration form on our website:**
