Making Learning Irresistible: A Level 2+ Service-Learning/PBL Seminar Series

Ashland University/CEUs

Register today!

The series is designed for graduates of "Service-Learning/PBL: Level 1" or "Level 2+" course(s) who wish to continue their professional growth as service-learning/PBL practitioners and leaders. The seminar experience will function as an interactive learning community and "think tank" that enables participants to "work on the work" of service-learning/PBL together. This coming year, we will focus especially on enabling participants to function more effectively and confidently as service-learning/PBL "leaders" who can help "make learning irresistible" through authentic learning experiences.

Participants will be able to strengthen their professional leadership skills through a variety of PD experiences and collaboration opportunities. They will utilize these experiences, skills, and opportunities to help build service-learning/PBL awareness and support in their respective settings, as well as to enhance their own projects/initiatives.

Course instructors will be **Ellen Erlanger** (retired from Upper Arlington Schools) and **Kathy Meyer** (retired from Worthington Schools), educational consultants with *Partnerships Make A Difference*. **Meeting dates are: September 19, October 3, November 7, November 21, January 16, January 30, March 5, and April 30 (all Thursdays).
